NOTIFICATION. — British Consular Agents in Foreign Countries having difficulty in distinguishing between Individuals who have a right to their protection as Subjects of the British Crown and others who claim that protection without any legitimate title to it; and it being considered desirable, in order to obviate as far as possible this difficulty, that British Subjects, proceeding to a Foreign Country, should provide themselves with a document attesting their title to the protection of the British Crown.

The Hon'ble the President of the Council of India in Council is pleased, under instructions from the Hon'ble the Court of Directors, to notify that British Subjects, Native or European, intending to embark for a Foreign Country, will, on applying at the office (if the place of embarkation be Calcutta) of the Secretary to the Government of India in the Foreign Department, or (if the place of embarkation be Bombay or Madras) at the offices of the Chief Secretaries to Government at Bombay and Madras respectively, be furnished after due enquiry with a certificate attesting their right to protection as British Subjects. British Subjects, Native or European, intending to embark at any of the subordinate ports of the different Presidencies, are to apply to such Officer at the Port as the Local Government shall have notified to be the proper authority for granting the Certificates.

Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. XVIII. OF 1847.

An Act for curing the invalidity in the registration of Deeds arising from the fact of having been registered by persons not duly appointed or on other than Court days.

Whereas instances have occurred of persons exercising the office of Register of Deeds who have not been duly appointed, and whereas in some cases registration of Deeds has been made on other than Court days, that is on days other than those on which the Zillah or City Court has been open for business, and doubts may therefore arise as to whether the registration of any Deed registered by such persons not duly appointed, or registered on other than a Court day, is valid in law:

I. It is therefore hereby enacted, that acts which may have been done in that capacity in any Zillah, subject to the Presidency of Bengal, by persons who have had charge of the office of Register of Deeds without being duly appointed to the said office, shall be and shall be taken to have always been as valid in law as such acts would have been if the said persons had been duly appointed to have charge of the said office.

II. And it is enacted, that all acts which may have been done on other than Court days by the Register of Deeds, or by the person having charge of the office without being duly appointed, in any Zillah subject to the Presidency of Bengal, shall be and shall be taken to have always been as valid in law as such acts would have been if they had been done on a Court day.

No. 966 of 1847.

General Department.

To W. TAYLER, Esquire,

Post Master General, Calcutta.

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark “per Express,” and to keep within the *limited weight of two tolas*; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark “per Express” on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of “Newspaper Offices” in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked “per Express,” or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked “per Express,” but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 tolas, but, if that were acted up to,

the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words “By Express from Bombay,” and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

No. 966 of 1847.

General Department.

To W. TAYLER, Esquire,

Post Master General, Calcutta.

Sir,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the limited weight of two tolas; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters exceeding two tolas in weight, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 tolas, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, without reference to that limit, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas

being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

Fort William, Foreign Department, the 11th
December, 1847.

Notification.—With reference to the Notification published in the Gazette of the 4th instant, stating that Passports would be granted to British Subjects about to embark for a Foreign Country, upon application at the office of the Secretary to the Government of India, in the Foreign Department, the Hon'ble the President in Council deems it proper to notify further for the information of those who may intend to visit any place in the Turkish Dominions, that by advices lately received from the Political Agent in Turkish Arabia, it appears that the Government of Turkey have determined upon enforcing in the Pashalic of Bagdad, Regulations of a most stringent character against all Travellers who may be found without Passports.

These Regulations have long been in force in other parts of the Turkish Dominions, their extension to the Pashalic of Bagdad was announced in April of the present year, but Her Majesty's Minister at Constantinople, considering that the immediate execution of the measure would fall extremely hard upon British Indian Subjects, numbers of whom annually visit the shrines of Mecca, Kerbela and Nejed, succeeded in obtaining from the Porte a year's delay in the enforcement of the order. It may consequently be expected that the Regulations will take effect about the month of April 1848, and British Subjects who intend visiting any place within the Turkish Dominions are therefore strongly recommended to provide themselves with Passports.

By order of the Hon'ble the President in Council,

G. A. BUSHBY,

Offg. Secy. to the Govt. of India.

General Department.

To W. TAYLER, Esquire,

Post Master General, Calcutta.

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimat-

ing to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas*; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail.) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

Calcutta, Genl. Post Office, the 4th Sept. 1846.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

W. TAYLER,

Post Master General.

*Fort William, Genl. Post Office, }
The 24th July, 1847.*

No. 966 of 1847.

General Department.

To W. TAYLER, Esquire,

Post Master General, Calcutta.

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas*; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of

the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 tolas, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'clock of the 29th December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 11th January 1848, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium,

is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bona fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

The following Draft of a proposed Act was read in Council for the first time on the 18th of December, 1847:

ACT No. — or 1847.

An Act for preventing the dangers arising from Gunpowder and Fireworks within the limits of the Presidency Towns of Calcutta, Madras and Bombay.

I. It is hereby enacted, that the Rule, Ordinance and Regulation passed by the Governor General in Council on the 8th April, 1802, and Section II. Act XVIII. of 1841, be repealed.

II. And it is hereby enacted, that if any person (unless licenced as hereinafter provided) shall within the limits of the Presidency Town of Calcutta, Madras or Bombay, manufacture Gunpowder, or have in his possession in any house, shop, warehouse or other building, at any one time, a greater quantity of Gunpowder for sale or otherwise than ten pounds, he shall, on conviction, before a Magistrate of Police, be liable to a forfeiture of all such Gunpowder so manufactured or possessed, together with the vessel or receptacle in which it may be seized, and also to a fine not exceeding in amount the sum of Rupees Five Hundred.

III. And it is hereby enacted, that it shall be lawful for the Chief or Senior Magistrate of Police to grant to any person (whom he shall deem fit and proper) a licence for the manufacture of Gunpowder, or for the sale or keeping in deposit within the limits of the Presidency Town of Calcutta, Madras or Bombay, any quantity of imported or Indian manufactured Gunpowder not exceeding fifty pounds on such conditions and subject to such regulations as shall be specified in the licence and shall be approved of by the local Government: and any person who shall be guilty of a breach of any of such conditions and regulations shall, on conviction, before a Magistrate of Police, be liable to a forfeiture of his licence and of all Gunpowder so manufactured, together with all implements used in such manufacture, or so sold or kept in deposit contrary thereto, and also to a fine not exceeding Rupees Two Hundred.

IV. And it is hereby enacted, that no person or persons whatever being a dealer or dealers, or manufacturer or manufacturers of Gunpowder, shall

keep at any one time at his or their house, shop, place of manufacture, warehouse or other building, more of the mixed materials required for making Gunpowder than may be sufficient for the manufacture of fifty pounds weight of Gunpowder, and any person or persons who shall be guilty of a breach of this rule shall, on conviction, before a Magistrate of Police, be liable to a forfeiture of his or their licence and of all such mixed materials, together with the vessels or receptacles in which they may be seized, and also to a fine not exceeding Rupees Two Hundred.

V. And it is hereby enacted, that every such licence as is mentioned in Section III. shall be in force for a period of one year only and no longer, but shall be renewable by the said Chief or Senior Magistrate at his discretion on the same or any other terms and conditions, to be subject in like manner to the approval of the local Government, and such licence shall also provide for the transit and carrying of Gunpowder from one place to another within the limits of the said Presidency Town of Calcutta, Madras or Bombay, in such manner and in such quantity as shall be deemed advisable for the safety of the inhabitants and of property within the said Presidency Towns, and every person offending against such provisions shall be liable to a fine not exceeding Rupees Fifty, and every person obtaining such licence as aforesaid, shall pay a fee of Rupees Two for the same to the said Chief or Senior Magistrate to be applied as the fines under this Act.

VI. And it is hereby enacted, that any Magistrate of Police on credible information laid before him on oath or solemn affirmation that Gunpowder or mixed materials for making the same contrary to the provisions of this Act, are suspected to be stored, kept or possessed by any person or persons, may issue his warrant for searching in the day-time any house, shop, magazine or other building or place in which he has reasonable ground to suspect any Gunpowder to be manufactured, sold or kept, or any boat, carriage, cart or other vehicle in which any Gunpowder or materials for manufacturing the same may be suspected to be carried, or any person or persons suspected of carrying the same contrary to such licence or to the provisions of this Act, and all Gunpowder, or materials for manufacturing the same found on such search shall, together with the vessels or receptacles in which they may be stored be immediately seized by such searcher or searchers and brought before a Magistrate of Police with whom the same shall be kept till it shall be adjudged whether the same shall be forfeited.

VII. Provided, that the preceding Sections of this Act shall not extend to any Government magazine, or store or building for the making or deposit of Gunpowder under the authority or for the use of the Government, or to any Gunpowder for the use of Her Majesty's or the East India Company's Troops, or otherwise for the service of Government, or to any of Her Majesty's Vessels of War, or the Vessels of the Indian Navy or of the East India Company's Marine, or to any other Vessel within the River Hooghly, or the Port Road or Harbour of Madras or Bombay laden with Gunpowder for importation or exportation.

VIII. Provided also and it is hereby enacted, that Commanders of Merchant Vessels entering the River Hooghly shall on or before the arrival of their Vessels off Moyapore deposit in the Magazine at that place all Gunpowder intended for the Ship's use, from on board their respective Vessels, exceeding the quantity of one hundred pounds,

which quantity they shall be permitted to retain in their Vessels for the purpose of firing Salutes or Signals in case of distress, and the Gunpowder so deposited shall be again delivered on board on the return of the respective Vessels from Calcutta in prosecution of the outward voyage: and it is hereby enacted, that Commanders of Merchant Vessels in the River Hooghly having on board their Vessels Gunpowder for importation (not being Gunpowder belonging to the Government) exceeding the quantity of fifty pounds, shall deposit the same on or before the arrival of their Vessels off Fort William or the Town of Calcutta in the Magazine at Howrah, under charge of an Officer belonging to the Customs at that place, or such other person as the Governor of Bengal may appoint; and the Proprietors or Consignees of such Gunpowder or their Agents, whenever they shall desire to remove the same from the Magazine, shall make application to the Collector of Sea Customs for authority to do so, which application when it be intended that such Gunpowder shall be lodged in any place or be laden in any boat or other conveyance within the limits of the Town, shall be accompanied by a written order of permission, signed by a Magistrate of Police to that effect, and when it be intended, that such Gunpowder shall be exported by Sea, the Commanders of Vessels, or the Proprietors or their Agents, by whom it shall have been deposited in the Magazine shall make application to the Collector of Sea Customs for permission so to export it; and the Collector of Sea Customs shall comply with such applications aforesaid, except where the exportation of ammunition shall require, under provisions of Act XVIII. of 1841, a licence from a Public Officer other than the Collector of Sea Customs, in which case the Collector of Sea Customs shall not comply with the application unless it be accompanied by the licence of such Public Officer, and on or before the removal of all Gunpowder from the Magazine, the Collector of Sea Customs shall and he is hereby authorized to levy a fee, the rate of which shall not be exceeding two annas per pound, for all Gunpowder that has been lodged therein, which fee, (not to exceed the rate of two annas per pound as aforesaid, and to be regulated by such Orders as the Governor of Bengal may from time to time issue for the purpose) shall be taken to cover all charges for the safe custody of the Gunpowder during the period it has remained or shall remain in the Magazine. Provided also and it is hereby enacted, that the Governor of Bengal shall be at liberty to authorize such arrangement to be made by letting or otherwise contracting for the custody of the Magazine, and for the collection and appropriation of the fee which may be charged for Gunpowder stored therein as he may think proper, subject, however, to all the restrictions and rules imposed by this Section of this Act in respect to the removal from the Magazine of Gunpowder therein stored.

IX. And it is hereby enacted, that for every act done or omitted to be done contrary to the provisions in the last preceding Section of this Act by the Commander of any Merchant Vessel in the Port of Calcutta the Commander aforesaid shall forfeit the sum of Two Hundred Rupees, and the Collector of Sea Customs is hereby empowered to enforce the said penalty: Provided also and it is hereby enacted, that the Collector shall not grant a Port Clearance for any Vessel in which such penalty shall have been incurred until it have been paid. And the Collector of Sea Customs is hereby empowered to search for any quantity of Gunpowder which he may have reason to believe to be

on board a Merchant Vessel in the Port of Calcutta contrary to the provisions of this Act, and to seize it and detain it in the Magazine at Howrah as a forfeiture to the Government to be dealt with as the Governor of Bengal shall think right to direct.

X. And it is hereby enacted, that if any person, except on public festivals or occasions as herein-after mentioned shall in any highway, street or thoroughfare, or within twenty-five feet thereof, set fire to or wantonly let off or throw any squib or other firework, or send up any fire balloon, or make or assist in making any bonfire within the said Presidency Town of Calcutta, Madras or Bombay, every person so offending shall forfeit and pay a sum not exceeding Rupees Fifty, and if any person shall in any house, shop or other building adjoining to any public road or thoroughfare set fire to or let off any squib or other firework within the said Towns, he shall forfeit and pay a fine not exceeding Rupees Fifty, and if such person be not the owner or occupier of any such house, shop or other building, and have the permission, express or implied of the owner or occupier thereof to set fire to or let off such squib or other firework, then such owner or occupier shall also forfeit and pay a fine not exceeding Rupees Fifty.

XI. And it is hereby enacted, that notwithstanding the provisions in the last Section, it shall be lawful for the Chief or Senior Magistrate of Police on any public festivals or days of private or family rejoicings among the Natives to permit the discharge of fireworks, and the making of bonfires in such places, and at such times and under such restrictions and limitations as to the said Chief or Senior Magistrate may seem fit for the protection of property and the persons of the inhabitants of the said Presidency Town of Calcutta, Madras or Bombay against injury, and for such purpose to issue a Proclamation notifying the conditions on which such permission is granted, and every person convicted before a Magistrate of Police of offending against such Proclamation shall forfeit and pay a sum not exceeding Rupees One Hundred, besides being liable in damages to any party injured thereby either in his person or property.

XII. And it is hereby enacted, that all fines, forfeitures and penalties incurred under this Act may be recovered in the form and mode prescribed by Act No. II. of 1839, and shall be paid into the General Treasury for the benefit of the municipal Funds.

XIII. And it is hereby enacted and declared, that the words Presidency Town of Calcutta, Madras or Bombay, as used in this Act, shall for the purposes of it be held and deemed to include all places within the local limits of the jurisdiction of Her Majesty's Supreme Court of Judicature at the said Presidency Towns.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 18th day of March next.

No. 966 of 1847.

General Department.

To W. TAYLER, Esquire.

Post Master General, Calcutta.

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas*; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be

forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.
